Virtually Staged. SAILBOAT ACCESS with no bridges to the Myakka River and Gulf of Mexico sets the stage for this beautifully appointed 3-bedroom, 3-bath home with a dedicated den and 3-car garage. Enjoy easy boating access for fishing, cruising, and days spent exploring. Designed to take full advantage of its setting, the open floor plan features a ZERO-DEGREE SLIDER that creates a seamless connection between the great room and expansive outdoor living area, with views of the sparkling pool and canal and no rear neighbors for added privacy. The spacious kitchen is ideal for everyday living and entertaining, featuring an OVERSIZED ISLAND WITH BREAKFAST BAR, cabinetry with soft-close features, generous counter space, and a modern backsplash. A large buffet provides additional storage and counter space, making meal preparation and entertaining even more convenient. Plank tile flooring runs throughout the home, while recessed can lighting enhances the main living areas. The living room and primary suite both feature elegant tray ceilings and beautiful views. The spacious primary bedroom overlooks the pool and canal and includes a large walk-in closet with BUILT IN CLOSETS, along with convenient access to the laundry room and the rest of the home. Both guest bedrooms offer BUILT-IN CLOSETS, while the bonus den/office
